## **Parent Support Group (PSG) Social Media Housekeeping**

PSG has garnered much interest and support from like-minded parents like you, with a strong membership increase of more than 150% since our facelift in 2022. With the intention of sharing precious moments with PSG members only, the PSG Gongshang Primary School Facebook page was re-ignited to have a wider outreach and increase engagement with its members.

With the steady increase in membership, it is of utmost importance to ensure our pupils' privacy are protected by implementing strong gatekeeping measures as pictures and videos are shared on the platform. One of the ways is to ask requestors to complete certain details upon requesting for membership, thereby ascertaining the legitimacy. Details include:

1. Please indicate your Child's name, Class, and Form Teacher's name
2. Do you want to be kept informed of upcoming events in Gongshang by joining Parents Support Group?
3. Do you agree to the rules from the admins?

We seek your understanding in signing up as PSG member and completing above questions before submitting your request to join the group. Looking forward to your participation in and out of social media for the betterment of our pupils!
